

Welcome to the KAOL FIRST Lego League site!

Home of the RoboWranglers and the CyberCoyotes! Go Teams!

What is *FIRST* Lego League?

The best way to summarize *FIRST* LEGO League is to say that it is a robotics program for 9 to 16 year olds (9 to 14 in US/CAN/MEX), which is designed to get children excited about science and technology -- and teach them valuable employment and life skills.

CORE VALUES

The FLL Core Values are the cornerstones of the FLL program. They are among the fundamental elements that distinguish FLL from other programs of its kind. By embracing the Core Values, participants learn that friendly competition and mutual gain are not separate goals, and that helping one another is the foundation of teamwork.

- We are a team.
- We do the work to find solutions with guidance from our coaches and mentors.
- We know our coaches and mentors don't have all the answers; we learn together.
- We honor the spirit of friendly competition.
- What we discover is more important than what we win.
- We share our experiences with others.
- We display Gracious Professionalism and Coopertition in everything we do.

We have FUN!

How can you help?
